superbly as Jiminy Cricket and Pinocchio as they rollic through scenes with Stromboli (Jeff Gray) and his marionettes (Debby Gayoski and Lisa Ayotte), with Honest John (George Kirby), Gideon (Susan Foley) and the evil coachman (Kathy Oliver). One finds Pinocchio shooting pool with Lampwick (Ruth Wright), changing into a donkey and then joining other boys or donkeys (Candy Wright, June Sassaville, Karyn Falcon, Patti Jo Tirrell, Holly Houghton and Jim Frenette). Pinocchio finally arrives home only to find that Gepetto (Mike Cambra) and Figaro, the cat (Marcia Westgate) have left in search of the lost puppet boy. Pinocchio must find Gepetto at the ocean's depth inside Monstro the Whale. Fishermen, pirates and sailors (Peter Weigel, DeAnne Campos, Donna Reed, Lisa Stupalski, Peggy Johnson, Tom Wentland, Melanie Broughton, James McCombe and Amy Beaulieu) sing and dance to relate the fantastic tales of this ferocious whale. After an exciting chase scene Pinocchio arrives safely home to be Gepetto's boy and Jiminy Cricket receives a gold badge from the Blue Fairy (Shawn Ann Hartley) for being such a good conscience.

SPEEDING VIOLATIONS CHARGED

A delegation from the Mattapoisett Shores Association, led by Michael Jennings, told Selectmen that speed limits set at 15 MPH and 25 MPH are being consistently violated. He cited a school bus stop, blind corners and narrow road as hazards along that stretch of Harbor Road and Ocean Drive. Drivers now travel the road at an estimated 40 to 50 MPH according to Jennings and numerous complaints to the police department have produced no result. Selectmen agreed to inform the police department to take affirmative action to check violations.

Mr. Soares said that the employment had terminated when he had been first notified and Selectmen authorized payment of wages up to that time. Selectmen Linhares and Hubbard asked Mr. Soares for

of 4.3 million from the figure announced earlier by the State Department of Corporation and Taxation.

A plea was presented to the tax commission by Mattapoisett Assessors John Gibbons and Bruce Rocha at hearings held in Boston April 27th.

This plea contended that a full valuation of 91 million was in excess of the town's actual value and facts presented by the assessors proved that the town was over-valued.

A reduction of 4.3 million was granted by the tax commission thus giving Mattapoisett a full cash value of 86.8 million.

Assessors Gibbons and Rocha are currently reviewing this decision and compiling additional data to determine if a further appeal is necessary.

O.R.R. School Committee

MEETING MAY 11

The ORR School Committee voted 5 to 1 to approve a transfer of James Hubbard from the Junior High School to the Senior High School. Mr. Hubbard, science teacher and athletic director at ORR explained that his work load as athletic director was so time consuming that it interfered with his classroom time. He said that scheduling outside trips and telephone conversations had produced long hours and frequent interruptions of his class. The superintendent recommended a transfer to 3 periods of teaching per day at ORRHS.

Dorothea Pierce expressed opposition to the move because she felt that a way should be possible to retain an excellent teacher and that limitation of classroom time in favor of athletic demands was unfortunate. William Wood was in agreement and said that Mr. Hubbard was most valuable as a teacher and that these duties were of primary

Old Hammondtown News

PUPILS HAVE FIELD TRIP

An Old Hammondtown School music program field trip, under the direction of Mrs. Claire Bessette, occurred on Friday, May 14, for 232 students from grades five and six. Along with their teachers and chaperones, the students enjoyed a performance of Declaration, a musical odyssey at Kresge Auditorium on the MIT campus in Cambridge.

The play was presented by a traveling company of the New York Festival Theatre, the country's largest performing group of theatre for young audiences. Although the theatre's aim is always to entertain, this professional group also believes in the theatre as an extension of the classroom and uses the stage to teach and communicate, as well as to entertain.

The PART Foundation and the New York City Department of Cultural Affairs, through a grant from the National Endowment for the Arts, have joined in producing this special 1976 program throughout the country.

Declaration was a dynamic reenactment of America's greatest, as well as darkest, moments. Song, dance, film and satire reaffirmed the Spirit of '76 and awakened a new pride in our heritage.

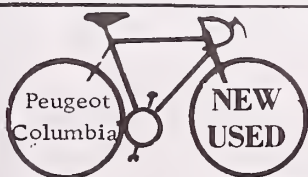

This unique experience to witness live theatre was then followed by lunch at McDonald's Restaurant in Brockton. It was certainly a day to remember.

The students and teachers are grateful to the volunteer chaperones: Mrs. Nancee Brown, Mrs. Jocelyn Demakis, Mrs. Sandra Dennie, Mrs. Barbara Johnson, Mrs. Roni King, Mrs. Carolyn McEwen, Mrs. Helen McGowan, Mrs. Janet Parker, Mrs. Valerie Reilly, Mrs. Jeanne Silveira, Mrs. Marjorie Wheeler and Mrs. Joan Woodcock.

Conservation Commission

TO PRESTO PRESS:

Since Mattapoisett Conservation Commission is often the focal point of controversy, misunderstanding and deliberate mis-information, we wish to bring the following facts to the attention of the public:

Recognizing the need for conservation of natural resources at the local governmental level, legislation providing for establishment of town and city conservation commissions was enacted in 1957 as General Law Chap. 40, Sec. 8c of the Commonwealth. As specified by this law, the purpose of the Conservation Commission is to promote and develop the natural resources and to protect the watershed resources of Mattapoisett. The Conservation Commission is the regulatory agency of the Wetlands Protection Act, GL Chap. 131, Sec. 40, as amended. This law states: No person shall remove, fill, dredge or alter any bank, fresh water wetland, coastal wetland, beach, dune, flat, marsh, meadow or swamp bordering on the ocean or any estuary, creek, river, stream, pond or lake...or any land subject to tidal action, or coastal storm flowage, or flooding...without filing a Notice of Intent with the Conservation Commission. The Commission then holds a Public Hearing on the proposed activity and

issues an Order of Conditions which can place restrictions on the builder but cannot deny permission to build. The Commission cannot, and has never told anyone, they cannot build. To determine if land is wet, an on-site inspection is made by Commission members; in marginal cases, the advice of a professional expert is obtained.

The Board of Health, not the Conservation Commission, conducts perc tests. Removal of top soil and operation of gravel pits comes under the jurisdiction of the Soil Conservation Board. Building permits are issued by the Building Inspector after the applicant has satisfied the requirements of the Planning Board, Board of Health and Conservation Commission.

The Commission is composed of five members appointed by the Selectmen. Meetings are held on the first and third Tuesdays of each month at 7:30 P.M. in the Town Hall Conference Room and are open to the public.

Rochester Seniors

The fourth anniversary meeting of the Senior Citizens' Club was held on May 11 with Mrs. Irene George presiding.

It was indeed a surprise birthday party. Mrs. Elise Fatula, member of the Ro-

chester Council on Aging, presented the club with a delicious birthday cake she had baked. Although not yet a senior member, Mrs. Fatula remained as guest of the club to help in the activities of this special meeting. We are deeply grateful to her for her thoughtfulness.

Mrs. Theresa Ouellette had made lovely gift corsages for the ladies and boutonnieres for the men. She was assisted by Mrs. Yvonne Galipeau and Mrs. Estelle Bergeron in presenting them to the members.

During the business session, Mr. and Mrs. Ralph Gurney and Mrs. Isabel Correia were accepted as new members.

Ten members received birthday gift cards from Mrs. Thelma Dion, hospitality chairperson who also reported on flowers and cards sent to members who are ill.

During the social, members enjoyed the movies by George Sousa, taken during their tour of the Southwestern states and Mexico.

Refreshments were served by Mrs. Louise Leger, refreshment chairperson, and Mrs. Fatula.

Mrs. Isabel Preston and Mrs. Blanche Ouellette distributed individual gift cone cakes baked by Mrs. George to all members. BUS TRIP NOTICE -- The bus will leave from the Rochester Town Hall parking lot at 10

Mattapoisett School Committee

At its regularly scheduled meeting on May 10, the Mattapoisett School Committee conducted a spirited discussion of the kindergarten curriculum with teachers and concerned parents contributing constructively. A final revision of the 30 page curriculum guide is expected by May 19. Informative discussions with parents of incoming kindergartners will be held at appropriate times and this guide will serve as a vehicle for these discussions since the committee, as well as the teachers, wish the parents to know what their child will be learning and expected to learn.

The Committee signed during the week a construction contract with the Arlen Construction Corporation for the relocatable complex. It also approved final wording of the leaching field contract bid specifications which will be let out in about a month's time. The Committee signed a three year contract for school bus services with Tremblay Minibus. For the past three
